

Advanced Integrated Circuit & Computing Headquarters Compliance Certification

Issued by Vipera LLC in connection with the sale, distribution, and onward transfer of advanced computing products.

1. Regulatory Background

This certification supports Vipera LLC's compliance with United States export control laws applicable to advanced integrated circuits, computers, and computing-related items, including but not limited to the Export Administration Regulations (EAR, 15 CFR Parts 730–774) and the advanced-computing controls announced by the U.S. Bureau of Industry and Security (BIS) in 88 Fed. Reg. 73458 (October 25, 2023), as amended, and the Framework for Artificial Intelligence Diffusion published January 13, 2025.

For purposes of this document, "Restricted IC Product" means any item that is (a) classified under ECCN 3A090, 4A090, or any related ECCN covering advanced integrated circuits, computers, electronic assemblies, or components that incorporate such advanced ICs, or (b) otherwise subject to export licensing requirements under EAR Part 744 or Country Group restrictions in Supplement No. 1 to EAR Part 740.

2. Restricted Destinations

Vipera LLC will not export, re-export, transfer (in-country), or facilitate the supply of Restricted IC Products to or within the following destinations without first obtaining the authorizations required by U.S. law. These destinations are derived from current BIS Country Group designations and embargo/sanctions programs:

Comprehensively Embargoed / Country Group E:1, E:2

- Cuba
- Iran
- North Korea (DPRK)
- Syria
- Russia
- Belarus
- Crimea / Donetsk / Luhansk regions of Ukraine

Arms-Embargoed / Country Group D:5 and Country Group D:1, D:3, D:4 (advanced-computing controls apply)

- China (PRC)
- Macau
- Venezuela
- Burma (Myanmar)
- Cambodia
- Central African Republic
- Democratic Republic of the Congo
- Eritrea
- Haiti
- Iraq
- Lebanon
- Libya
- Nicaragua
- Somalia
- South Sudan
- Sudan
- Zimbabwe

This list reflects current U.S. regulatory designations and is subject to change as BIS, OFAC, and related agencies update country-group assignments, sanctions programs, and embargo determinations. Vipera LLC screens each transaction against the live versions of these lists at the time of order acceptance.

3. Vipera LLC's Compliance Certification

Vipera LLC hereby certifies, in connection with its supply, distribution, and sale of advanced computing products, that:

- Vipera LLC maintains an active export-compliance program covering screening, training, recordkeeping, and senior-management oversight, consistent with the BIS Export Compliance Program guidance.
- Vipera LLC screens every counterparty, end-user, and shipment destination against the U.S. Department of Commerce Entity List, Denied Persons List, Unverified List, and the OFAC Specially Designated Nationals List, prior to acceptance of any order for Restricted IC Products.
- Vipera LLC will not knowingly export, re-export, transfer, or divert any Restricted IC Product to a destination, end-user, or end-use prohibited under U.S. export controls, including the prohibited end-uses set out in EAR §744.
- Vipera LLC does not engage in transactions intended to circumvent the controls established under 88 Fed. Reg. 73458 (October 25, 2023), the AI Diffusion Framework (January 13, 2025), or any successor regulation.
- Vipera LLC requires its downstream counterparties, distributors, and end-customers to provide compliance representations equivalent to those set out in this Certification before any Restricted IC Product is released.
- Vipera LLC promptly notifies its upstream suppliers of any material change to its corporate ownership, headquarters jurisdiction, or operating footprint that could affect this Certification.

4. Counterparty Representation

The undersigned (the "Company") represents the following to Vipera LLC as a condition of the supply of any Restricted IC Product, and agrees that Vipera LLC may rely on these representations:

COMPANY LEGAL NAME

COMPANY HEADQUARTERS COUNTRY

ENTITY TYPE / JURISDICTION OF FORMATION

TRADE / COMMERCIAL REGISTRATION No.

REGISTERED HEADQUARTERS ADDRESS (Street, City, Province/State, Country, Postal Code)

The Company attests that:

- ☐ The Company's headquarters and principal place of business are not located in any of the Restricted Destinations listed in Section 2.
- ☐ No person or entity owning, directly or indirectly, 10% or more of the Company is headquartered, organized, or ordinarily resident in any Restricted Destination.
- ☐ The Company is not listed on, nor owned 50% or more in the aggregate by parties listed on, the Entity List, Denied Persons List, Unverified List, OFAC SDN List, or any equivalent U.S. Government restricted-party list.

5. Continuing Obligations & Notification

The Company acknowledges that its representations under this Certification are continuing and apply to every transaction with Vipera LLC involving Restricted IC Products. The Company will promptly notify Vipera LLC in writing of any change in its ownership structure, headquarters jurisdiction, operating locations, or restricted-party status that could affect any representation made above. The Company will maintain records of each Restricted IC Product transaction for the period required by 15 CFR Part 762 and will make such records available to Vipera LLC and to U.S. Government authorities on lawful request.

6. Acknowledgements

- Future availability of any specific advanced IC, computer, or computing assembly may be affected by U.S. regulatory changes; Vipera LLC does not guarantee identical or compatible replacements for items rendered unavailable due to such changes.
- Information provided in this Certification will be used by Vipera LLC to comply with U.S. export-control and trade laws, and may be shared with upstream suppliers, OEMs, and U.S. Government authorities to that extent.
- The Company has the lawful authority to sign this Certification and to bind the Company to the representations and obligations herein.
